Minutes: March minutes approved for publication

Treasurer's Report: see file

Hospital Report: Nathan Hough of HMS updated the Auxiliary on their structure and staffing at NCH. They are currently addressing billing, coding and management models that will be a best-fit for our facility. The Auxiliary updated Mr. Hough on our recent purchases and discussion was held regarding possible future purchases. The Auxiliary welcomed Mr. Hough and his staff to our community.

Old Business: 147 tickets have been sold for the luncheon and only a few salads are still needed. Job assignments for the luncheon were reviewed. It was determined that the Power Point presentation would not be available for the luncheon; instead, it would be assembled later in the year to be shown at the Christmas Bazaar. Recently purchased items will be listed on "table tents" at the luncheon (Carolyn).

New Business: Julie reported full IRS compliance. Thank you, Julie, for your efforts in achieving this! We are awaiting invoices for the activity room furniture purchases. The Ipad purchased for the Sing Fit Program will be held by the IT department until staff has been trained for the program. It is still available for residents to use for Skype. The Auxiliary is inquiring about training qualifications if any members are interested in leading the Sing Fit sessions.

The next meeting will be Tuesday, May 8 at 5:00 in the board room.
