

Niobrara County Hospital Auxiliary

November 12, 2019

Present: Randi Ross, Donna Gunn, Marilyn Allbright, Anna May Oliver, Carol Kupke, Jan Hytrek, Julie Dunn, Claudia Bartow, Karen Bruch and Carolyn Pflughoeft

Treasurer's Report: (Julie) There are no bills to be paid. The income from the Christmas greens sale will show in both November and December. Although sales were just a bit below last year, the Auxiliary is so grateful for all of those who sold and purchased greens. Delivery is expected the week after Thanksgiving.

Hospital Report: (Randi) The facility is back to a full staff and we are fortunate to have applications on file for future needs. The ECF welcomed two new residents. The Auxiliary may be asked to help purchase a soft-serve ice cream machine for the residents' use.

Old Business: The lights of love are in need so some repair due to possible damage from construction/roof projects. Carol will be in contact with maintenance to determine the needs.

New Business: Randi will ask Jackie at the Chamber to put the Lights of Love details on their Facebook page. We will ask Phyllis to place the ad in the paper, running from next week to the end of the year. We also ask that she include the details in her column. We are in need of drivers for the greens delivery from the Senior Center-we will provide the date by email as soon as we know. The Christmas Bazaar will be held on Friday, December 6 (4-8pm) and Saturday, December 7 (9-3pm). Carol and Karen will take the Friday shift. The Saturday morning shift will be Jan and Julie Dunn. We will see if Phyllis and Julie B. might take the afternoon shift. The election of Secretary and President was tabled pending an amendment to the by-laws.

The Auxiliary does not meet in December. Our next meeting will be January 14. Please watch you email to see the place and time for this meeting as it is usually a post-holiday gathering!
