

Niobrara County Hospital Auxiliary

January 14, 2020

Present: Marilyn Allbright, Karen Bruch, Phyllis Hahn, Anna May Oliver, Claudia Bartow, Shirley Wasson, Jan Hytrek, Carol Kupke, Julie Dunn, Randi Ross and Carolyn Pflughoeft

Minutes from the November 2019 meeting were approved for publication.

Treasurer's Report: see file.

New Business: The group approved the purchase of new planters for the hospital. Thank you again to Elaine Griffith and Monika Davies for maintaining the beautiful flowers last summer! The Lights of Love and Greens projects were well-received by the community. Next year, the lights order form will be expanded to allow for more background stories from the purchasers. Our booth has been automatically reserved for next year's bazaar. Randi will check to see if we need to resupply the ER care bags. The salad luncheon is set for Thursday, April, 23, 2020.

Hospital Report: (Kody) Dr. Beringer is deployed until May and other staff are covering his duties. The remodel of the board room will be completed soon, the clinic visit numbers are positive and a new Nurse Practitioner will begin in June. Kody and Randi will check into the cost of a soft-serve ice cream machine for the residents. They will also look at the condition of patient mattresses to see if that is a project we might help with.

The next meeting will be Tuesday, February 11, at 5:00 PM.
