Old Business: Regarding last month's inquiry into replacing mattresses, one half of them have recently been replaced and the other half are scheduled to be replaced.

New Business: The board approved up to \$1000 for the purchase of four television sets for the acute care rooms (32 inch) and one smart set for the board/staff development room (55 inch). The salad luncheon is scheduled for Thursday, April 23, from 11am-1pm. Randi will ask Trish to print the tickets (available at the March meeting). The ticket price will remain at \$10. Karen will be compiling a list of duties for the person handling the set-up and take-down (thank you Karen for handling this so well for so many years!) Phyllis and Shirley will staff the ticket table, Phyllis will submit ads to the paper, radio and chamber. Randi will produce posters for Marilyn and Anna May to distribute. We will check to see if Wava will be able to decorate. Julie is taking an inventory of paper products. **We are in need of someone who has been through the Food Safety Course to act as kitchen supervisor for the event. If any auxiliary member would like to step up for that, please contact Randi.**
