

Niobrara Community Hospital Auxiliary
September 1, 2020

Present: Marilyn Allbright, Randi Ross, Julie Dunn, Shirley Wasson, Carol Kupke, Anna May Oliver and Carolyn Pflughoeft.

Treasurer's Report: (Julie) see file

Hospital Report: Randi explained some of the foot traffic changes at the clinic. These are mostly due to infection control guidelines. Also, there are some new faces in administration. The Hospital is glad to welcome back Dr. Beringer from his deployment. The new dental practice has been well received by the community. A big THANK YOU goes out to Elaine Griffith and Monika Davies for planting and maintaining the beautiful flowers around the facility. They are greatly enjoyed by the residents, staff and guests.

Greens Report: Having customers pick up their order is new this year. It was a necessary change as we are running short on delivery drivers. The date and time of pick up will be announced once delivery details are solid. Order sheets will be distributed at the next meeting.

The next meeting will be Tuesday, October 6 at Randi's office...5:30PM
